Form 1 to 5 tutorial classes (Term 1)	1	4	1	88%	Oct 2024 – Dec 2024	\$4,602	■ Questionnaires	In the whole academic year, 9 students and 33 students participated in the first term and second term S1-S5 Saturday Tutorial Class respectively.
Form 1 to 5 tutorial classes (Term 2)	2	7	12	80%	Mar 2025 – May 2025	\$12,537	■ Questionnaires	Two sets of questionnaire surveys were conducted to gather students' feedback after the programme. Most of the students were satisfied with the tutors' attitudes and they were able to cater for learners' diversity. The majority of the students agreed that they had consolidated their grammar foundation and help them enhance their grammar, vocabulary, reading, writing and speaking skills. The level of practice and assignments and the content taught by the tutor were also moderate. It is therefore suggested that the Saturday Tutorial Classes should be continued in the next school year.
Form 6 exam preparation classes	0	1	1	70%	Oct 2024 – Dec 2024	\$972	■ Questionnaires	More than 85% of the participants said that they could learn relevant exam skills for the HKDSE English Language Exam in the class, and had more exam-oriented practices, strengthening their readiness to tackle the public exam. The class served as a useful tool for students to gain a more complete grasp of exam strategies which they might not be aware of particularly in reading and writing paper. However, the dates for S.6 tutorial classes should be carefully selected so as to avoid clashes with some DSE paper drilling courses or workshops which also take place on Saturdays.
