Students were contented of how much they could accompolish. For the S5 elite students, they attended a total of 8 sessions of DSE-focused programme in which writing and listening skills were the foci. Students reflected that the programme helped them develop writing accuracy, sentence structures and useful vocabulary as well as features of different common text-types in listening integrated tasks. On the other hand, 28 students joined the Future Scientists EnglishLeap Summer Camp from July 13 to 17. Students enjoyed the camp, felt more confident speaking English and reported tutors provided enough help with their learning. More than half of them reported the camp increased their interest in Science, improved their speaking skills and reading skills. They enjoyed the variety of science experiments they were engaged in as well as other electives and sports offered as part of the programme.
